An individual estate property record and report showing the disposition of all property of the estate is attached as **Exhibit A**.
4. The trustee realized gross receipts of \$4,940.76

Funds were disbursed in the following amounts:

The interest earned prior to disbursements will be distributed pro rata to creditors within each priority category. The trustee may receive additional compensation not to exceed the maximum compensation set forth under 11 U.S.C. § 326(a) on account of the disbursement of the additional interest.

6. The deadline for filing non-governmental claims in this case was 05/28/2015 and the deadline for filing government claims was 05/09/2015. All claims of each class which will receive a distribution have been examined and any objections to the allowance of claims have been resolved. If applicable, a claims analysis, explaining why payment on any claim is not being made, is attached as **Exhibit C**.
7. The Trustee's proposed distribution is attached as **Exhibit D**.
8. Pursuant to 11 U.S.C. § 326(a), the maximum compensation allowable to the trustee is \$1,235.19. To the extent that additional interest is earned before case closing, the maximum compensation may increase.
